Academic Calendar

Class- Nursery to UKG

Month- February (Session 2025-26)

Dear Parent

February is the second month of the year. It is shortest month of the year. After February Final Evaluations will start. Slowly we have reached the end of this session !!!Wow !!! What a great year! To better state that, we have covered a lot of material and participated in many fun-filled exciting projects. We made many new friends along the way too. Each of your child has brought such joy and happiness to our classroom. Thank you so much for your support.

Planner for co-curricular Activities February 2026

Day & Date	Activity	Learning outcomes	Parent's Contribution
10 February 2026 (Tuesday)	Apple Day	Students will learn about nutritional value of apples and why fruits are important for a healthy diet.	Kindly send your ward in red dress and also send apple for fruit break
14 February 2026 (Saturday)	Pattern Parade	Children will learn to identify, continue and create simple patterns, They will develop their observation skills and early maths understanding	Kindly help your ward practise patterns at home using daily object like colours, shapes, clothes or toys.
