Summer Vacation  
Homework

## **Hey Parents! Wishing You and Your Children a Happy and Happening Break!**

Dear Parents,

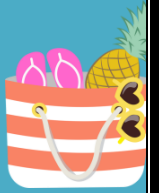

Hurray! The summer holidays are here... It's time for the children to take a break, sit back, and enjoy a few weeks of vacation. This is a wonderful opportunity for them to let their creativity flourish by engaging in simple and fun activities.

We encourage parents to guide, motivate, and support their children in completing their holiday homework.

Kindly ensure that your child does their homework independently and in their own handwriting.

### **Some Important Reminders about Personal Hygiene:**

Please encourage your child to develop good personal hygiene habits by practicing the following:

Covering their nose and mouth when coughing or sneezing.

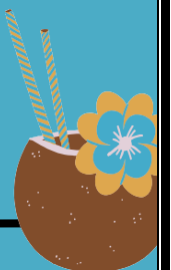

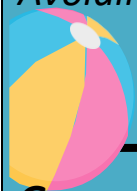

Avoiding uncovered food.

Getting a proper haircut at regular intervals.

Not sharing towels, handkerchiefs, or brushes with others.

Washing hands frequently.

Avoiding touching eyes, nose, and ears with unclean hands.

### **General Instructions:**

Homework should be done under parents' supervision.

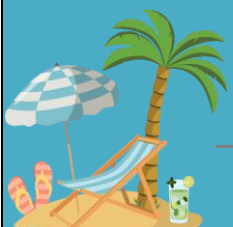

Ensure the entire oral syllabus is revised during the vacation to help your child retain and adjust after the long break.

Fix a set time each day for your child's study to promote proper time management.

Submit the holiday homework during the first week of July.

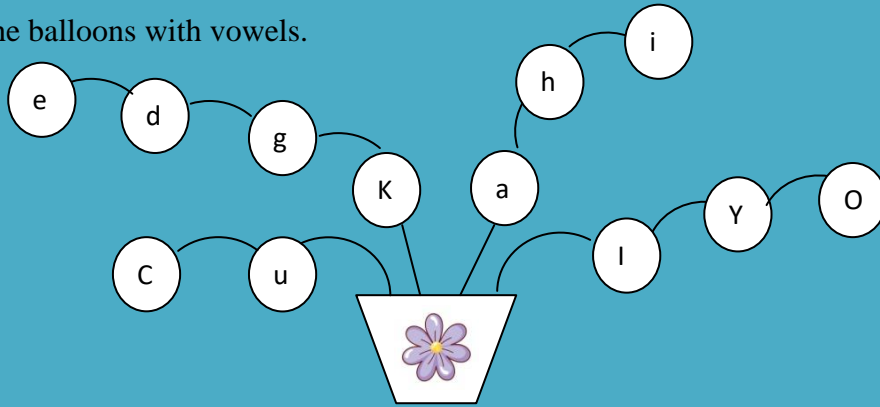

Help your child learn your contact numbers.

Parents are requested to give regular dictation practice to their child in a separate notebook.
